

BUTTERFLY PRESERVE

Butterflying is a well known hobby that basically means watching butterflies.

Butterflies have character, beauty and wonder, thus are beyond fascinating and inspirational

This butterfly preserve would be a swarm of fluttering butterflies, with each possesing an unique pattern created by me.

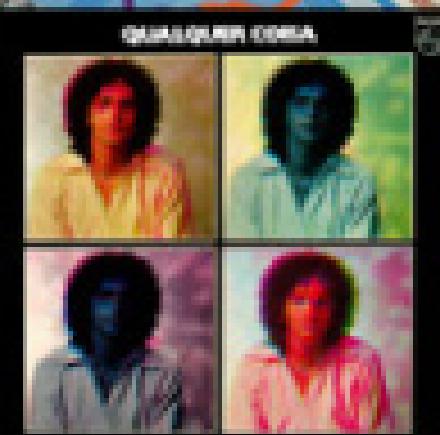

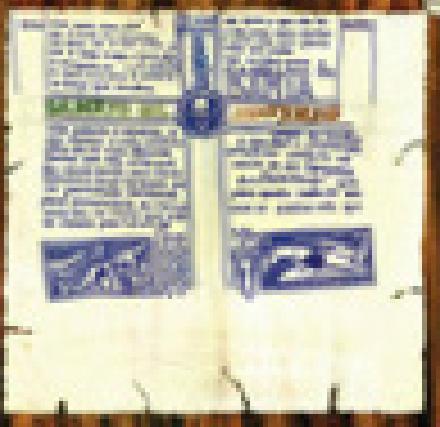

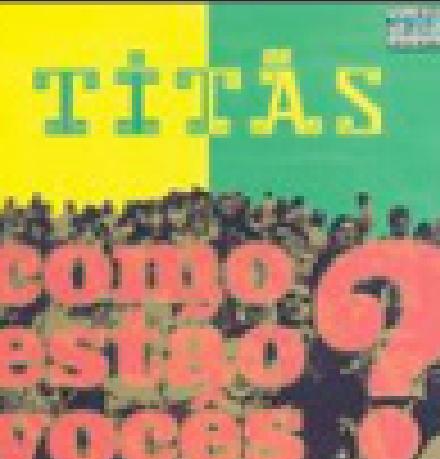

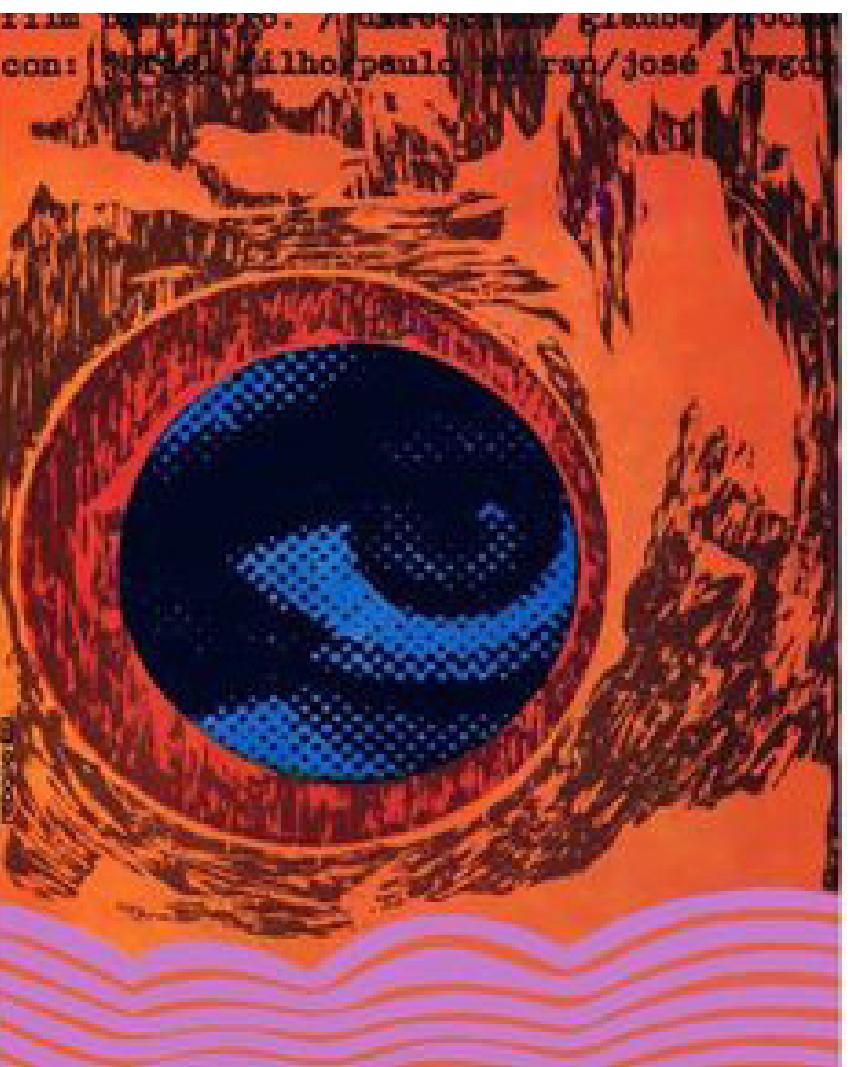

SLIME WORLD

Slime varies in textures and colors that are equally visually engaging.

It's soothing sounds and almost hypnotic movements are often used to aid relaxation in times of stress and anxiety.

Slime world would be an atmosphere that combines these elements, hoping to refresh and entertain tired minds.

TROPICALIA PARADISE

Tropicalia was more than just an artistic movement its was an atmosphere, mixing traditional brazilian culture with innovative radical aesthetics.

They wanted to evoke Brasil's cultural diversity and its unique vibrancy.

Tropicalia Paradise would be a vivid atmosphere that celebrates this movement.
